A Famous Miser. John Elwes, was lived-we can hardly say flourished-in the eighteenth At St. John's a man stowed away century, was a famous miser. When and claid, here and convict, neurasupon Harry Whitney's yacht, bound he, possessed of a million of money. The few of deep say fishermen, ath'ete for an arctic hunting trip. He was walked the streets of London philan discovered too late to return him to thropic people would sometimes thrust the little Newfoundland port, but a penny into his hand, so beggarly and Whitney de rmined to make him pover stricken was his appearance work his passage. He wasn't success. He would eat food that was in the last ful at this, however. The stowaway stage of putrefaction sooner than simply couldn't see any sort of work. throw it away and would ride for Short of personal violence he couldn't miles out of his way sooner than pay a twopenny toll on the turnpike. By "By thunder," Whitney said one day, an accident in the street he received "I've a notion to leave you here at an injury to both his legs, and a doc-

"Bee-lieve muh, Mr. Whitney," he sary and that he was not much hurt ed leg got well first. He used to boast "What is your business, anyhow?" afterward that he beat the doctor by a fortnight.

> His Brother Was Different. A noted Philadelphia attorney teils one on himself. He left his native town in Tennessee years ago and located in Philadelphia to practice law. His brother, on the other hand, remained behind at the family homestead. Returning to his native town some time ago, the attorney met an old darky in the road.

"Hello, uncle!" he said. But the old man did not recognize the boy he used to know in the prosperous looking citizen who addressed him.

"Well," asked the lawyer, "how are "Oh, they're all right," said the old darky. "Jim Blank has gone to Philey. He's a lawyer, sah."

"Is that so?" answered the attorney "And his brother Tom, how is he? Has he made a fortune too?" "Lawdy, no!" ans d the old darky, shaking his hear, "He ain't no lawyer. Marse Tom wouldn't take n dishere t penny from nobody."--Philadelphia Times.

A Russian Railroad. Nicholas I, of Russia had quite an original way of transacting business. He sent one day for his engineers and gave them eight days to bring him the route of a railroad to connect St. Petersburg with Moscow. At the end of the allotted time the plan was pre-

"What," said he, looking at it, "what is all this-these twists and turns, this serpentine track? You must have misunderstood me." "Sire," said the spokesman, "we have drafted the shortest route which would embrace on the line the leading

"Give me the pencil and rule," he said, and he struck a bee line from one city to another. "Here-you under stand me?" "But, sire, you leave the large town-

towns and villages."

entirely out of sight; "That is their affair. Let them comwithin sight."

And so the road was made as

straight as on L. The Kauri Gum Diggings. Kauri gum, found underground in New Zealand and dug to the amount of a million and a half yearly, is used chiefly for furniture polishes and var nishes, and most of it is exported to America. The industry of digging is is unlike any other in the world. A kauri forest is a beautiful sight, but kauri gum country is treeless, barret and desolate, even and swampy very often, with singularly heavy, cloggy soil, out of which the gum formed or kauri pines of ancient and long van ished forests is dug or speared. There are whole stretches of this treeies kaurl country with nothing but a lit tle scrub and fern growing on it. Some of the gum diggers-about 2,000 in at -are Maoris, pleasant, friendly na tives; some are British, and a certain

number are Dalmations, - Argonaut Thoughtful Cirl. The young man was calling on th girl. He daln't know her very well but she looked good to him. He want ed to call again the next night, but

hardly had the nerve to ask permission "I'd like to come up again," he said when he was ready to go home. "How about next week some time?" A look of disappointment came over

her face. "Next week?" she said "Why, isn't that-er-well, I'll tell you what to do; you come up tomorrow night and we'll decide which night next week you may call."-Detroit

ouch with it.-Atlantic.

you first.' "Well, Martha what is it?" dress it and stuff it and bake it and sian border; from the Liechtenstein feed it to the children. It isn't bad to game preserves south of Vienna and take, and of course they don't know from the still larger estates in Hunwhat it is. That would spoil the gary belonging to the Archduke Fred

To my friend's exclamation of horror | London Chronicle. she replied with conviction, "I've given t to lots of children, and never one of them had whooping cough."-Mary Newell Youtz in Designer.

When Wagner Died. "Nearly all the visitors to Venice." mys a letter from that city, "go to th entranth palace to see the place here Wagner lived nearly a year and here he did in Petersory, 1883. We bore the master away who remember the long line of mourn ture of that occasion. The great state arre contained Anton Seldl's orches ra, and after it came barges with ingers, nobles, great men and women If in deepest mourning. This is the cone which some artist should fix on canvas. But, alas, he who saw could never know what it represented unless he had been here at the time. The music, under Seidl and Neumann, and its effect on the mourning throng no brush could portray."

Last Revolutionary Survivor. The last survivor of the Revolution cry war was John Gray, who died in Noble county, O., aged 104 years, or March 26, 1868. He came to the Buckeye State early in its existence. For some years before he died he drew an annual pension of \$500 from the goverument, General John A. Bingham laying got a special act through ongress for this. Gray's father was cilled at the battle of Stillwater and e took his place in the army, being only sixteen years old then. He serv ed through the remainder of the war. His military record is on file at the office of the state commissioner of soldiers' claims.-Columbus Dispatch,

The Bull of Perillus. Perillus of Athens is said to have in vented for Phalaris, tyrant of Agrigen tum, 570 B. C., a brazen bull which opened on the side to admit victims who were to be roasted by the fire which was built underneath. The dying groans of the sufferers resembled closely the roaring of a mad bull. Phalaris greatly admired the invention and

by way of test roasted the inventor

first. Later the populace rose in rebellion and burned Phalaris. "I notice a lady has received by

> The Dialect Was There. Ex-Governor Bob Taylor of Tennes see was once entertaining a northern guest who was rather skeptical about the prevailing dialect in stories of southern negroes. He thought it overdrawn. To disprove the contention, Mr. Taylor laughingly made a wager with his guest that the northerner would be unable to interpret the language of the first negro they met. Acordingly they set out and presently came upon a black man basking indolently in the sun. Telling his friend to pay close heed. Mr. Taylor stepped up to the negro and demanded sud-

erick, all the way to the Schorfhalde .-

The negro blinked his eyes stolidly and then answered in a guitaral voice "Wah who?"-Everybody's.

Found the Saint's Day. One Russian peasant sued another t recover the sum of 50 rubles, the debt or having faithfully promised to re turn the money on St. Henry's day But, having failed to do so for a long time, the lender discovered that the Russian Orthodox church includes u such saint as St. Henry, and the judge before whom the case was tried was much puzzled as to what verdict h should give. Happily the idea occur red to him that, saint or no saint, A Saints' day included even the mo doubtful, so he gave judgment that th 50 rubles should be returned next A Saints' day.

Very Obliging. "Sir." tartly says the lady of uncerain age to the floorwalker, "is there any way of getting one of these sales men to pay me some attention?" "Well." says the floorwalker confi dentially, "I'll introduce you to an one of them you fancy, but I'll to you now that all of them have the 'steadies.' "-Judge.

"Which Carlyle?" There is nothing to mark the Arch House, where Carlyle was born, in the Scottish village of Ecclefechan, from the other lowly dwellings that line the village street, and a native guide will be needed if the piliarim desires to find his way to Carlyle's grave; hence the story of the great writer's brother, the whereabouts of Carlyle's grave. "Which Carlyle?" "Oh, the great Carace he gave the information asked and was rewarded with a Goe outlinest if hem worship. "We have come all the way from Americal said the pokesman of the pligelous, "to lay man ved. "It's a gey harmless occuoation!" All of which and especially that "Which Cartyle?" goes to show how vain is the search of the man who visits Ecclefechan on the lookout for worshipers of Carlyle,-Argonaut,

The Czar's Snuffbox. Czar Paul's snuffbox was as secred as the imperial crown itself. No one was allowed to touch it. Kaploff wagered that he would take a plach out of it. One morning he walked up to the table which stood near the bed on which the czar still reclined and boldly took from it the majestic snuffbox. Opening it noisily, he inserted his fingers, and, while Paul I. was watching him in stupefaction at such audacity, he sniffed up the fragrant powder with evident satisfaction. "What are you doing there, you

"Having a pinch of snuff, sire. I have now been on duty for eight hours and, feeling drowsy, I thought it would keep me awake, for I would rather break the rules of effquette than neglect my duty." Paul burst out laughing and merely

rogue?" exclaimed the exar excitedly.

"That's right enough, my lad, but as the snuffbox is not large enough for both of us you can keep it for your-

Juvenile Wisdom. From some examination papers in a Massachusetts-we repeat; Massachusetts-town: "Capillarity is when milk rises up

around the edge of the bottle and shows good measure." "The settlers gave a Thanksgiving dinner to the Indians for their kindness and to the Lord for fair weather. They kept up their festivities for three days, eating all the time. A party of sixty Indian warriors came, rolling their warhoops down the hill." "Henry VIII. by his own efforts in-

"Esau wrote fables and sold them for potash." "The Lupercal was the wolf who sucked Romeo and Juliet at Rome." "Lincoln has a high forehead, which

creased the population of England

is a sign of many brains."-Every-Nelson as a Courtier. Nelson was the hero of England even in his own time, but not apparently of the court. Samuel Regers recounts a conversation with him which appears in the life of the poet by R. Ellis Roberts, "I heard him once during dinner," says Rogers, "utter many bitter complaints (which Lady Hamilton vainly attempted to check) of the way he had been treated at court that forenoon-the queen had not condescended to take the slightest notice of him. In truth, Nelson was hated at court; they were jealous of him." But then it must be remembered that Rogers was renowned as a

particularly ill natured gossip. The Ruling Passion. It is related of a certain German savant, to show how strong the ruling passion is in death, that as he was dying he exclaimed in French, in which language he was deeply learned, "Je meurs" (I die). Pretty soon he opened his eyes before passing away and added: "Man kann auch sagen, Je me meurs!" (One can also in French use the reflexive form of the verb "to die.") His last dicker of interest was in the word more than in the fact of

Disraeli's Humor. I was introduced by particular request to Mrs. Wyndham Lewis, a pretty little women, a flirt and a rattleindeed, gifted with a volubility I should think anequaled and of which I can convey no idea. She told me she liked "silent, melancholy men." I answered that I had no doubt of it .-Letter of Benjamin Disraeli to His Sis-
